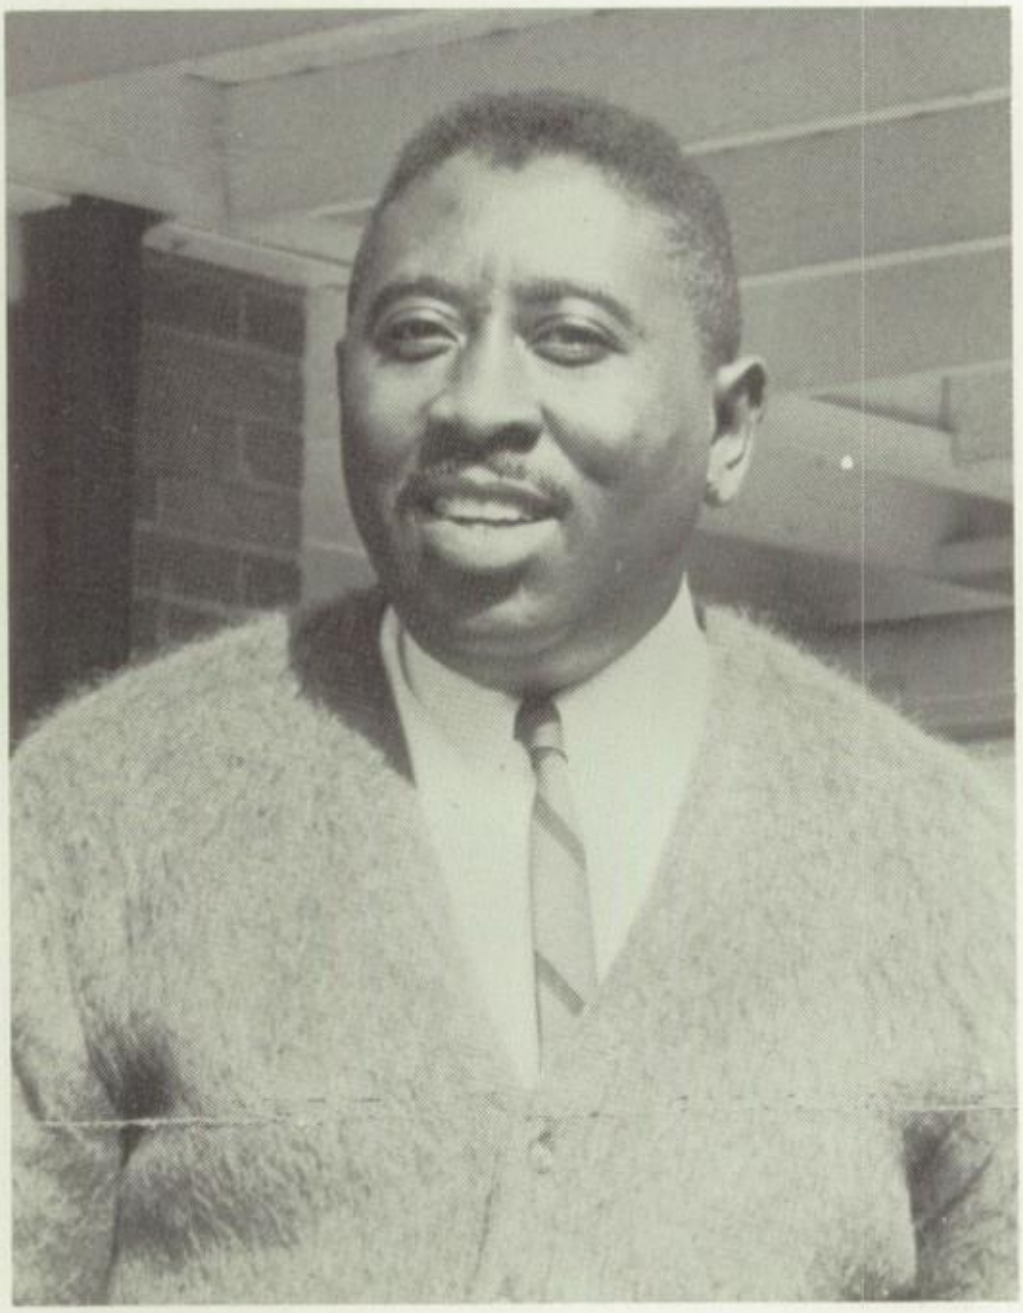
DEDICATION



A Salute to Service . . .

"The Jacket" happily places its spotlight upon an individual who constantly devotes his energy and service to Howard W. Blake High School.

In addition to his regular position which requires a great amount of time, he finds opportunities to assist any groups or individuals who come to him.

"The Jacket" is especially indebted to him, since he has provided vital technical assistance for each edition for six consecutive years.

We salute you, Mr. James F. Montjoy, in this issue of "The Jacket." Thank you for your service, your loyalty, your dedication.

FOREWORD

This is the time for memories and dreams--memories of achievement and service, triumph and frustration, excitement and despair, dreams of success for endeavor and excellence for attainment.

"The Jacket" reflects the most important of these experiences of the past year, which passed all to quickly, forever lost in Time. In retrospect we will re-capture that glorious and wonderful year--1965'66.

PRINCIPAL'S MESSAGE

A statement of commendation is offered to our yearbook staff and their sponsors for their efforts in producing the 1966 edition of the "YELLOW JACKET". This book gives a vivid pictorial review of the many curricular and extracurricular activities carried on at our school, and the students who take part in them. This yearbook is a clear indication of what can be accomplished through "Cooperative Efforts", "Adequate Knowledge", and the "Will to Achieve".

The Senior Class proudly welcomes Mr. Richard F. Pride, the principal of Blake High School. It is with heartfelt thoughts that we share with him this edition of the Jacket. We are looking forward to matriculation under his guidance during the second semester, 1966.

THE PRINCIPAL'S MESSAGE

Congratulations to the seniors on having reached this first rung of the educational ladder.

It is my sincere hope that each of you has acquired the necessary skills to enable you to continue, rung by rung, until you have reached your ultimate objective - as an independent contributing member of this great society.

Your varied experiences here at Howard W. Blake High School have been designed to help you make adjustments to the many challenges you will encounter.

THE YELLOW JACKET will help you reminisce over many of your cherished moments with your classmates and the school family.

Commendations are expressed to the Yellow Jacket staff, advisors, faculty, students and citizens, who through co-operative efforts, have made this year's edition possible.

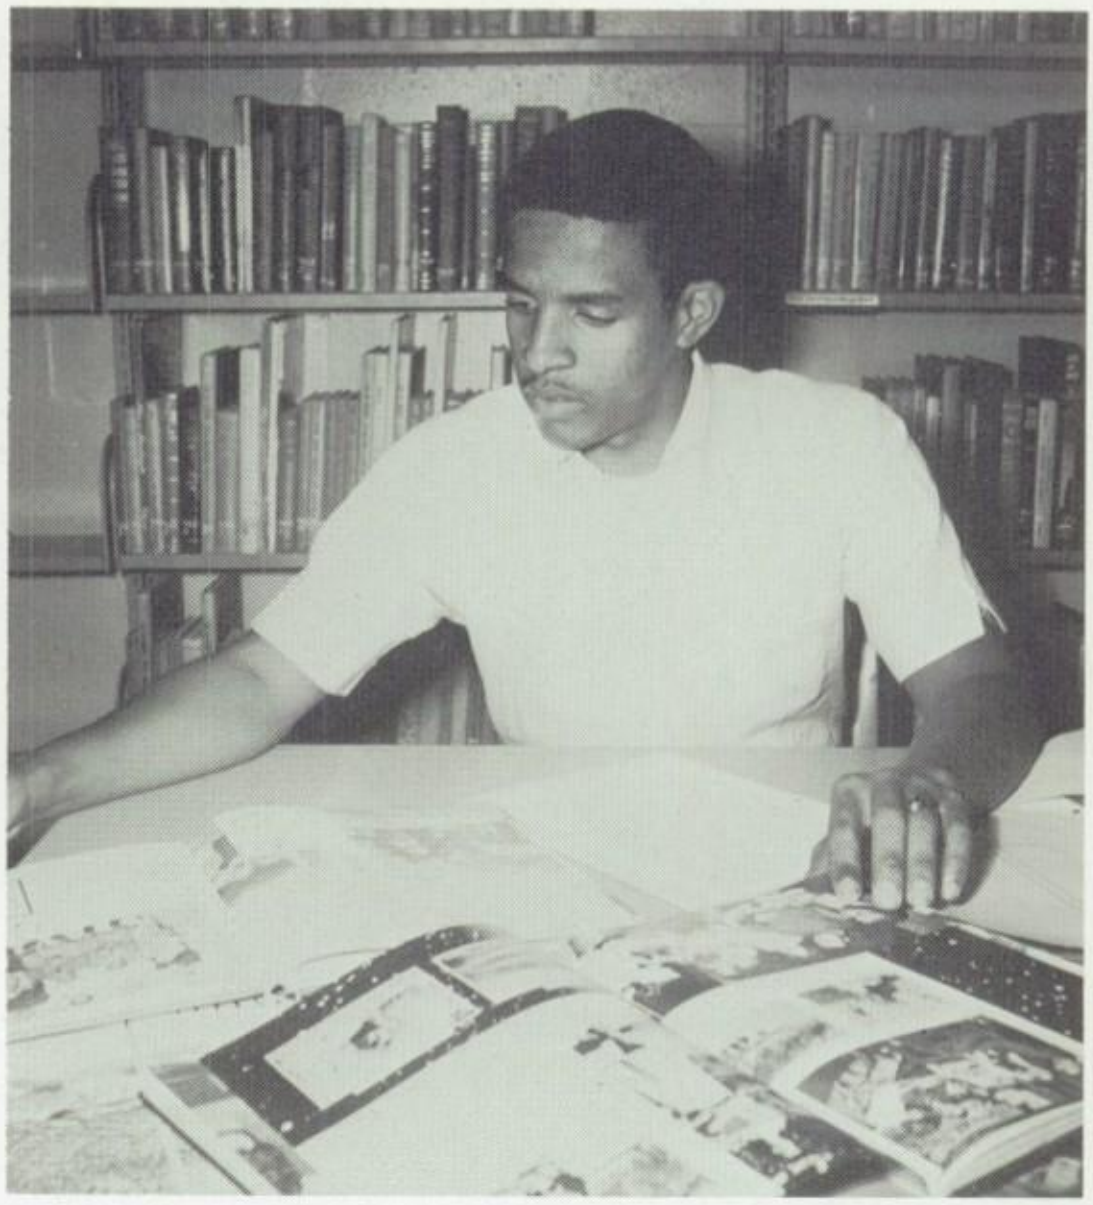
OF THE

YELLOW JACKET



Editor's Message

We pause at this time to reflect upon the days spent here at Howard W. Blake. We have just realized that our remaining days in high school are coming to an end. We've had a mental flashback and we see ourselves from the time we entered these hallowed walls until now, the present. Each year we grew in wisdom, in knowledge, in stature and in mind.

Each Blake teacher has touched our class in some way along our journey and we are grateful.

The years 1961, '62, '63, '64 and '65 were all wonderful years. This fact cannot be denied, but we are convinced beyond a shadow of a doubt that 1966 was, "That Unforgettable Year."

Willie Tyrone Housley

I wish you would try and understand that you could be a wonderful wife if only you would put more concern towards it, beside talking of thing which would only make things worse — such as (you lie to much Ronnie-ee) you know. But dig, if you could hide your pride for only and minute and just say yes or no, so next time please answer that way, yes or no, but I would perfer hearing yes,

Tyrone Housley
